

Our ROI system is considered the “Best in Class” for the following reasons:

Best ROI Solution

- Automate letter and form production.
- Expedite turn around times with our real-time workflow screen.
- Ensure productivity and compliancy with detailed turnaround time reports.
- Always stay within Federal guidelines with our HIPAA Disclosure Accounting
- Process and track all types of requests such as Patient, Physician, Subpoena, Insurance, Family Leave and Disability.
- Automate Billing and track Accounts Receivable.
- Keep your information safe with our Integrated Security and Audit Trails.
- Integrate into your EMR/EPR system or install as a stand alone system.

Most Scalable System

- Easily accommodate your growing user base into one single database. Our larger sites support over 40 facilities and process over half a million requests per year.

Most Adaptable Pricing

- Our pricing remains flexible. We take into consideration your company’s cost concerns, from single-user sites to multi-facility organizations.

Most Outstanding Service

- Outstanding service goes hand-in-hand with our system. We support you in any way we can through customizations, integration, upgrades and customer service.

Most Up-To-Date Technology

- Microsoft SQL Server Database
- Microsoft .NET Platform
- Multi-tier architecture
- Microsoft Office and Crystal Reports

Visual Records MedCorr is the best ROI solution in today’s market, and we continually strive to be the best solution in the future.

MedCorr’s main objectives are:

Providing Security

Protecting Privacy

Promoting Efficiency

“My staff is dancing on the ceiling.”

“This software makes me want to get up in the morning and go to work.”

“My staff has a new word for data entry; they now say they are going to MedCorr it.”

“Don’t just Release that Record... ‘MedCorr’ it!”
