

TAKE THE VISIONARY PATH

BRIDGE THE GAP
BETWEEN SOFTWARE AND USER

**Visual
Records** SM

Visual Records is a proud Southern California based company established in 1981, specializing in developing innovative, high-quality software systems for all industries.

By combining research, experience and value with integrity and respect, we have kept our users satisfied and competitive.

OUR COMMITMENTS:

- Enterprise Solutions
- Vision/Commercialization
- “Cutting-Edge” Technology
- Expertise/Facilitation

OUR GOALS:

- Providing efficient solutions to fit your company’s specifications and budget.
- Using the latest technology to save you revenue and time and increase your productivity.
- Partnering with you to commercialize your visionary ideas into innovative software solutions.
- Offering solutions that mature with you, protecting privacy and keeping information centralized and easily accessible.

OUR TECHNOLOGICAL VIRTUES:

Our solutions are developed to be cost-efficient, user-friendly, time savers, visually engaging and secure. We build the most comprehensive and scalable systems, using proven technology:

- Microsoft SQL Server Database
- Microsoft .NET Platform
- Multi-tier Architecture
- Microsoft Office and Crystal Reports
- Interface Formats such as XML and HL7

OUR SOLUTIONS: PEACE OF MIND AT YOUR FINGERTIPS

MEDCORR

Taking you right into the Heart of Release Information (ROI)!

STORM TRACKER

Storm clean-up is messy enough but tracking and controlling the clean-up tickets does not have to be!

TRAVELER

Know what immunizations and medications you need before you travel anywhere!

PREMIA

Insurance premium accounting made painless and easy!

ARCS

Your PDA keeps you linked to the business world no matter where you go!

OUR SERVICES: THE PERSONAL TOUCH

We understand that you may not have the in-house resources to address all your technology needs.

We can help through our range of services:

- Analysis
- Design/Development
- Conversion/Deployment
- Documentation
- Training/Support

SOME OF OUR SATISFIED CUSTOMERS:

- Kaiser Permanente
(70+ facilities in Northern and Southern California)
- University of California, San Diego, CA
- East Central Regional Hospital, Augusta, GA
- Clifton T. Perkins Hospital Center, Jessup, MD
- St. Mary's Hospital, Centralia, IL

"My staff is dancing on the ceiling! Instead of saying 'data entry' they now say they are going to 'MedCorr' it."

—Nancy Windish, Kaiser Permanente, Richmond, CA

"This software makes me want to get up in the morning and go to work!"

—Kaiser Permanente ROI Specialist

"My staff has found the Visual Records system to be a valuable time saver in doing their work. Most important of all is the high level of service and responsiveness you have provided in supporting your product, which has been well worth the investment."

—Steve Cedrone, Kaiser Permanente, Panorama City, CA
